

botanic blue

Botanic Blue is a truly European pattern; reminiscent of a French antique toile fabric adapted to create a classic yet modern pattern, with motifs taken from Portmeirion's very British design icon 'Botanic Garden'.

Designed in a soft blue colourway, set against a fresh white background, Botanic Blue includes Portmeirion's signature butterflies interspersed with floral motifs. The wide range of table and giftware products feature a delicate spot background, combined with a feminine scalloped edge, giving a charming 'antique' style to the range.
