

# POMONA

Named after the ancient goddess of fruit, Pomona is an outstanding pattern. The romantic shape was inspired by the generous, rounded forms of seed pods and gourds and was designed by Susan Williams-Ellis in 1982. Each cup and plate comes patterned with one of six luscious fruits taken from hand-coloured books of the 1830's.

The range sees some welcome new items - the beautiful bella jug is perfectly decorated with the blackberry motif to create this striking piece, and there are also new items in cutlery, already proven to be popular pieces in their eyecatching gift packaging.
